Thousands View Model Home Here

Benton's Model Home, The Monterey, was visited by more than 3,000 persons during the week-end.
The public jumped the gun on the formal opening, scheduled for last Saturday, and started viewing through the house on Friday.

There were thousands of visitors on Saturday and scores were waiting Sunday when the Model Home was opened again for inspection at 2 p. m. Many hundreds visited the model house Sunday afternoon.

The Model Home will be opened for inspection every Tuesday, Thursday, Friday and Saturday until the public has satisfied its desire to see the pretty house. The house was built by the Calvert Construction Company on land just below the Arch Nelson residence. The firm has seven more lots on the land, and will build houses to suit the tastes of buyers.

The five-room and bath Monterey is modern in every respect. It has a central heating system, which is housed in one of the many spacious closets in the house.
The step-saving kitchen comes equipped with the kitchen cabinet, sink, dish washer, clothes washer and drier. All the work surfaces in the kitchen have Formica tops.
The living room and dining area flow together to provide for open, modern living. The adjacent kitchen is separated by an attractive folding door.
Adjoining the living room is the all-purpose room. It actually is a part of the living room but by use of sliding doors it can be made into a den, a second living room or a permanent third bedroom.
In the living area is a large ceiling to floor Thermopane picture window.

Spacious Bedrooms
Both bedrooms are spacious, and with plenty of closet space. Shoulder-high windows are featured in the bedrooms.
The spacious bathroom features an alcove-type tub, extra

Interior Views Of Model Home

The Monterey living room photographed from the kitchen shows the all-purpose room and the Thermopane picture windows that provide a private view. Rear door opens onto patio.

The step saving Monterey kitchen features Bendix washer and dryer, Crosley dishwasher sink, and cabinets with Formica top work surfaces. Three entrances, one from the carport, one from the dining alcove, and one from the center hall, make the kitchen easily accessible from all parts of the house.

Corn Derby To Be Held This Year

The Marshall County Farm Bureau has voted to sponsor the Corn Derby again this year on a one-acre plot. The action was taken at the bureau's monthly meeting held in the county agent's office.
In the Derby, prizes will be awarded for the highest yield of corn per acre. The prizes are as follows:
First prize, \$15; second \$10 and third \$5.
Any farmer in the county is eligible for the contest. Entries should be made at the county agent's office.
The bureau also will sponsor the Green Pastures program this year. Three prizes -- \$25, \$15 and \$10 -- will be awarded to the farmers making the highest scores. Applications are available at the county agent's office.
The bureau, of which E. T. Inman is president, announced that 116 members have renewed their membership since the first of the year.

Perry Gets Contract For Farley School

Hal Perry last week was awarded a \$59,833 contract for the general work on an addition to the Farley school at Paducah. Perry's bid was the best of six bids submitted.
The addition is to be completed in time for the next school year. It will include converting the present cafeteria into three classrooms and the construction of a combination cafeteria - auditorium.
Plumbing, heating and electrical contracts were awarded separately.

REV. GRISOM BACK HOME

Rev. W. D. Grisom, pastor of First Methodist Church, returned home Monday afternoon from Murray Hospital, where he had been a patient for two weeks. Rev. Mr. Grisom will be confined to his home for several more weeks.

State Representative Shelby McCallum and his wife have returned from a two months trip to Europe. Mrs. McCallum stopped in Washington, D. C. to visit her sister, Mrs. Robert Reed. McCallum returned to Benton and then went to Indianapolis on a business trip.

Woman Talks To Her Husband In Alaska

Mrs. Ruth Ethelne Miller talked on long distance telephone last Thursday night, Feb. 19, with her husband, Pfc. Joe Edward Miller, who is stationed in Alaska.
Pfc. Miller, who is with the Arctic Test Branch at Big Delta, Alaska, told his wife that he is getting along fine and is planning on returning to the States in June.

ZION CAUSE BAPTIST TO HOLD BIBLE INSTITUTE

The Zion's Cause Baptist Church will conduct a Bible Institute, beginning Monday night, March 2, and continuing through March 7.
Services will be held each night at 7:45 and all-day services will be held Saturday, March 2, and Sunday, March 3, at 10 a. m.

Dan Lee of Route 4 was in town Saturday on business.

Spring is Building Time

Spring has always been the season of the year to start building homes, making repairs, painting and cleaning up in general.
The Courier calls attention of its readers to one of its new features -- the building page. Marshall County firms represented on this page are ready to offer you their services in any matter, big or little, concerning the construction of a building.
Turn to the Courier's Second Section and read the building page and see the new house plans each week.

Will Ely's Wife Dies In Hospital

Mrs. Will Ely died at 8:15 p. m. Wednesday at Murray Hospital, where she had been a patient two weeks.

Funeral services will be held at 2:30 p. m. Friday at Pilbeck and Cann Chapel, with the Revs. J. Frank Young and L. V. Henson officiating. Burial will be held in Thompson Cemetery in Benton.

Survivors are her husband, who is Democratic chairman for Marshall County; one son, Joe Pete Ely, assistant postmaster of Benton; two daughters, Mrs. Waylon Rayburn of Murray and Mrs. Carl Krobb of Louisville; two sisters, Mrs. Hayden Draffen of Benton and Mrs. J. M. Green of Golo; two brothers, William and Gillard Johnson of Benton.

Mrs. Ely was a member of the First Missionary Baptist Church and was active in women's affairs in Benton.

Mrs. Stephenson's Funeral Held

Mrs. Della Stephenson, 70, died Friday at the Riverside hospital in Paducah. She was a resident of Calvert City, Ky.

Funeral services were held Sunday afternoon at the New Hope Church, with the Rev. Rouse Stinnett officiating.

You Pay Only Once

AN EDITORIAL
Some folks still are confused about the taxes involved in the proposed school building programs of the Benton Independent School District and the Marshall County Board of Education.
You do NOT have to pay two tax bills.
You only pay for the school district in which you live.
You do NOT vote on two ballots.
You only vote in the school district in which you live.
In short, Benton residents have nothing to say about the county schools, and county residents have nothing to say about the Benton schools. They are completely separate organizations.

Burglars Hit Sharpe School, Calvert Store

Burglars struck twice in the north part of the county last week and this week.
Sharpe High School was broken into Wednesday night, Feb. 18, and the thieves took all of the funds collected there for the Heart Fund Drive. They also took an adding machine and a brand new radio.
The burglars entered through a rear door.
On Monday night, Feb. 23, the Calvert City Drug store was looted of merchandise valued at from \$50 to \$400. The burglars took cameras, razors, watches, fountain pens, cigarettes, coffee and cake in the basement of First Methodist Church next Monday, March 2. Proceeds will go toward buying some furniture for the parsonage.

Brewers Defeats Indians

The Benton Indians were defeated Tuesday night, by the Brewers Redmen, 72-61. Brewers grabbed a 10-point lead early in the game and the Indians never were able to overcome it. The game was played here.

Mohler of Brewers played a whale of a game leading all scorers with 23 points. Morgan was close behind his teammate with 22 points. For Benton, Clark hit the loops for 21 and Draffen got 13.
Calvert City nosed out Kirksey, 46 to 44, in a game played at Calvert. The game was close all the way but Kirksey never could grab the lead. Crowsley paced Calvert's attack with 16 points.

Sharpe lost to St. Mary's at Paducah, 59 to 67. At halftime Sharpe led 36 to 38, but a third period spurt put St. Mary's in the lead. Bobby Barrett, eagle eye Sharpe forward led all scorers with 23 points.
Sharpe will play Lone Oak Friday night, and Calvert City will play Heath.

Board Acts At Special Session

The Marshall County Board of Education has selected sites for the proposed two new consolidated high schools in the county.

The proposed new school in the south part of the county would be located on the Benton-Hardin highway some where between the top of Church Grove hill and Tapps Grocery.

The proposed new school in the north part of the county would be located on Highway 95 (the Calvert City highway) somewhere between the Calvert City Y at Bud Forrester's Grocery and Lone Valley.

The Marshall County Board of Education took this action at a special session held Tuesday at the courthouse here.

The decision on the sites was unanimous after board members had carefully considered all of the factors that should enter into the selection of the two sites.

The county board also acted with the knowledge that its selection of sites must be approved by the State Department of Education.

Every since the Marshall County Board of Education announced its plans to seek the construction of the two new consolidated high schools, citizens have been anxious to know where the schools would be built. Location of the schools has been a subject of conversation and many citizens have said their votes would hinge on the location of the schools.

The board's decision of Tuesday clears up the site question.

2 More Clubs For City School Plan

Two more civic organizations have endorsed the proposed building program of the Benton Board of Education.

They are the Senior Woman's Club and the Lions Club.

The Senior Woman's Club voted last Thursday night to support the building program.

The Lions Club, at its meeting Tuesday night, voted unanimously to endorse the program. The Lions took a vote after discussing the building program thoroughly.

Joe Duke, superintendent of Benton schools will appear before the next meeting of the Junior Woman's Club and explain the building program. The Junior Women are expected to join other civic organizations in backing the program.

The Benton Board of Education has voted to spend \$125,000 to \$140,000 to erect a new building which would house a gymnasium, a cafeteria, four new classrooms and a music department.

Voters of the Benton Independent School District will act on the proposal at an election on March 7.

Hamlet Revival To Start on March 1

A revival meeting will be held at the Hamlet Baptist Church, March 1 through March 8. Services will be held daily at 11 a. m. and 7 p. m.
Rev. Wilburn Abbott of Brownsville, Ky., will be the evangelist. The public is invited by the pastor, Rev. John W. Kloss, to attend these services.

FOOD SALE PLANNED

The Wesleyan Service Guild will serve sandwiches, coffee and cake in the basement of First Methodist Church next Monday, March 2. Proceeds will go toward buying some furniture for the parsonage.

Third County 4-H Club Raises Funds for Camp

The Oak Level 4-H club has reached its quota for the district camp now under construction at Dawson Springs. The Oak Level club finished raising the money a few days ago and turned over to the county treasurer \$54.

This is the third club to reach its quota. Other clubs have been Fairdeal and New Harmony.

The county quota is \$1535. The total cost of the camp will be about \$120,000 when complete. The dining room and kitchen already have been constructed. Contract for the cabins will be let the first part of March. When the camp is completed it will be one of the nicest in the country.

PHONES: 3931 Day Night 6941

BROTHERWOOD WEEK

By John S. Knight
Publisher, Chicago Daily News,
Carl Sandburg celebrated his 75th birthday
in Chicago on January 6th, this year.

Those who attended the big celebration dinner
got souvenir copies of a new poem the
guest of honor had recently written.

Here is the poem:

"There is only one horse on the earth
and his name is All Horses.
There is only one bird in the air
and his name is All Wings.
There is only one fish in the sea
and his name is All Fins.
There is only one man in the world
and his name is All Men.
There is only one woman in the world
and her name is All Women.
There is only one child in the world
and the child's name is All Children.
There is only one Maker in the world
and His children cover the earth
and they are named All God's Children."

This is a beautiful expression of the unity
that underlies the vast diversity of human
life and of all living things.
Let us thank God for the rich and marvelous
differences among his creatures. Among His
human children, every group, every person-
ality, has some special endowment that enriches
the inheritance to which we are all heirs.
But let us thank God even more devoutly for
the unity that binds us together.
In the common fact of God's children, we

share the same processes of birth, growth,
decline and death. We have similar shares in
joy and hope. None, however he may seem to
be favored in achievement or possessions, es-
capes his portion of disappointment, bereave-
ment, and grief.

Equally we need the sustaining sense of brother-
hood with all who strive along with us,
each succeeding in some measure and in some
measure failing.

May Brotherhood Week in 1953 bring a large
reward in mutual love and understanding, and
in practical measures to express them

SOIL CONSERVATION

By Herbert Anderson
Cordle Henson, east of Benton, and Clete
Barnett, east of Olive, received 2,000 lespe-
deza bicolor and 500 multiflora rose plants
week before last from the Kentucky Depart-
ment of Game and Fish.

F. H. Dibble, District
Biologist, and I delivered
the plants to their farms.
Each farmer has enough
seed for feeding two coveys
of quail. The rose plants
will be used for a living
fence to protect the bicolor
from livestock.

Any farmer can receive these plants free of
cost by applying at the Soil Conservation Ser-
vice office in Benton or seeing Bernice Witty,
Conservation Officer.

The following cooperators of the Marshall
County Soil Conservation District re-ceived
free TVA trees last week in the first shipment
of the 1953 planting season: Paul Brewer, W.
A. Fuqua, Clyde and Raymond Gordon, Arlie
Holland, Robert Howard, W. A. Keeling, B. K.
Means, and Everett Treas.

Farmers received their trees at a tree plant-
ing demonstration held by H. Miller at the
Benton City Park. There will be other plant-
ing demonstrations and tree deliveries at the
same place on March 4th, and 18th. The last
one will be April 1st, 1953. If you would like
to have some of these seedlings, place your
order now for the next shipment.

Land that is too steep to mow is usually con-
sidered tree land. Badly gullied land, or if the
soil is all washed away down to gravel, can
be more profitable set in trees than any other
crop.

Trees are a crop. Besides stopping the loss
of soil and water, they will be producing fence
posts and lumber in a very few years for sale
and farm use.

One of the world's finest collections of small
arcs is located in the Mason Museum near
old Fort Harrod in Harrodsburg, Ky.

Senior Woman's Club Has Regular Meeting

The Senior Woman's Club met those on the program for the
at 7:30 p. m. Thursday, Feb. 19,
at the Community Building.
Mrs. Pont Nelson, president,
presided at the business ses-
sion.

Speaker for the meeting was
Joe Duke, superintendent for
Benton schools, who outlined
the school building program
for the club women. The club
indorsed the plan.

The club also voted to con-
tinue the projects presented by
the finance committee to meet
the obligations of the club year.
Mrs. Inos Stallings introduced

evening.

Glenda and Allen Henson
sang two numbers, with Miss
Margaret Heath as accompanist.
Mrs. Eddie Mahan of Smith-
land reviewed the book, "The
Silver Chalice."

After the program, a white
elephant auction was conducted.
The refreshments carried out
a Washington birthday theme.

Hostesses for the meeting
were Mrs. Roy Boyd, Mrs. O. A.
Gant, Mrs. Charles Fields, Miss
Mae Jones, Mrs. W. B. Holland,
Mrs. G. A. Thompson and Miss
Sunshine Colley.

Will Thomasson, Brother of Benton Woman, Is Dead

Funeral services for Will
Thomasson, 80, of Muray Route
2, were held last Sunday here
at Linn Funeral Chapel. Burial
was held in Wadesboro Ceme-
tery.

He is survived by his wife,
one daughter, Mrs. May Geurin
of Detroit, two sons, Clay of
Detroit and Raymond of Lex-
ington, Ky.; five sisters, Mrs.
Rosie Lamb of Benton, Mrs. El-
nor Wallace of Muray, Mrs.
Victoria Miller of Almo, Mrs.
Viola Linn of Muray Route 2,
and Mrs. Annie Shell of Padu-
cuh; and one brother, Sam
Thomasson of Muray Route 2.
He was a member of Hickory
Grove Church of Christ.

Homemakers Of Aurora Meet At Mrs. Collins' Home

The Aurora Homemakers met Feb. 20 at the home of Mrs. Headley Collins. Nine members and County Home Demonstration Agent Sunshine Colley were present.

Mrs. Ollie Jones, president, conducted the business meeting. Reports were made by chairmen and the creed was read by Mrs. Lonzo Blew.

The club voted to donate \$5 to the Aurora School Fiddlers' Contest, scheduled for Friday night, Feb. 27.

The main lesson was given by Mrs. Blew and Mrs. Elton Oakley, assisted by Miss Colley. Demonstrations were given on seam pressing, sewing in of a zipper, putting sleeves in and the many uses of the new miracle cloth.

Miss Colley asked the club members to have a semi-tailored dress cut and basted for the next meeting, which will be held Friday, March 20, at the home of Mrs. Oakley.

School Election Notice

Notice is hereby given that an election will be held in and for the Marshall County School District on March 7, 1953, between the hours of 6:00 A. M. and 5:00 P. M., Central Standard Time, to determine whether the voters of said District are for or against the levying of an annual special school building tax rate of from five cents (5c) to fifty cents (50c) on each One Hundred (\$100) Dollars of property subject to local taxation within the District, for the purpose of providing for the purchase of school sites and buildings, for the erection and complete equipping of new school buildings, for the major alteration, enlargement and complete equipping of existing buildings, for the purpose of retiring, directly or through rental payments, school revenue bonds issued for school building improvements and for the purpose of financing any program for the acquisition, improvement or building of schools and to accomplish any or all of said purposes.

The question which will be submitted to the voters of said school district at said election will be in the following form: "Are you for or against having an annual special school building tax rate of from five cents (5c) to fifty cents (50c) on each One Hundred (\$100) Dollars of property subject to local taxation located within

the Marshall County School District levied for the purpose of providing for the purchase or lease of school sites and buildings, for the erection and complete equipping of new school buildings, for the major alteration, enlargement and complete equipping of existing buildings, for the purpose of retiring, directly or through rental payments, school revenue bonds issued for school building improvements and for the purpose of financing any program for the acquisition, improvement or building of schools and to accomplish any or all of said purposes?"

Provision will be made upon the ballot for the voters of said School District to indicate that they are "FOR" or "AGAINST" the levying of said annual special school tax.

All qualified voters in said Marshall County School District are hereby notified of such election and are requested to vote upon said question.

This notice is given pursuant to an order by the Fiscal Court of Marshall County dated the 10th day of February, 1953, to which reference is hereby made for further details.

By order of the Fiscal Court of Marshall County, Kentucky.

First Baptist WMS Meets At Home Of Mrs. Annie Nelson

The WMS of First Baptist Church met in the home of Mrs. Annie Nelson last week, with the president, Mrs. E. D. Davis, presiding.

At the close of the business session, the Royal Service program, "Winning the Mormons to the Right Way" was given, Mrs. Rolfe Provine leading.

Different topics under this program were discussed by the members, interspersed with prayers by Mesdames E. D. Davis, J. R. Brandon.

After the close of this program, the hostess served refreshments and a half hour was given over to social fellowship.

Between the sessions, the group was favored by a saxophone solo by Miss Anne Cole Burd.

Those present were: Mesdames

Nursery School Dedication

DEDICATION SCHEDULED—The Cardinal Hill Nursery school for handicapped children will be officially dedicated March 7. Located on the grounds of Cardinal Hill Convalescent hospital in Lexington, the new building was placed in use Feb. 9. Pains, distress of "those days" stopped or amazingly relieved

In 3 out of 4 cases
In doctors' tests!

Here's wonderful news for women and girls who — each month — suffer the tortures of "bad days" of functionally-caused menstrual cramps and pain — headaches, backaches, and those "no-good," dragged-out feelings.

It's news about a medicine famous for relieving such suffering!

Here is the exciting news. Lydia E. Pinkham's Vegetable Compound — gave complete or striking relief of such distress in an average of 3 out of 4 of the cases in doctors' tests!

Scientifically Modern Action

Yes! Lydia Pinkham's has been proved to be scientifically modern in action!

This news will not surprise the thousands of women and girls who take Lydia Pinkham's regularly and know the relief it can bring.

And it should encourage you (if you're not taking Lydia Pinkham's) to see if your experience doesn't match theirs... to see if you, too, don't avoid

The Week's Recipe

Here is a spicy gingerbread recipe recommended by Miss Florence Imlay of the University of Kentucky. Serve it with whipped cream or with a fruit sauce.

Gingerbread

1 cup molasses
1/2 cup sugar
1/2 cup melted fat
1 egg
1 teaspoon ginger
1/2 teaspoon cloves
1/2 teaspoon allspice
2 1/2 cup flour
1 cup boiling water
1 1/2 teaspoon soda

Mix together the molasses, sugar, melted fat and well-beaten egg. To the sifted flour add spice and salt, then sift again into the molasses mixture. Stir until flour is just dampened. Quickly mix the soda and hot water and pour into the mixture. Beat until smooth. Pour into a

shallow pan and bake in a moderate oven, 350 degrees, for 35 minutes.

Fruit sauce: Mix together 1/4 cup sugar and 1 1/2 tablespoons of flour. Add 1/2 cup of boiling water and boil until thickened. Cool and add 1 cup of fruit juice, fresh or canned, such as peach, pear or pineapple.

Menu: Hungarian goulash, baked squash, cabbage slaw, biscuits, butter and gingerbread with fruit sauce.

Miss Edna Foust Dies; Burial Is At Wilson Cemetery

Miss Edna Earl Foust, 70, died Feb. 19 at the residence of a niece, Mrs. Jim Dawes, on Fulton Route 1.

Miss Foust resided in Benton until five months ago. She had been living in Benton with her sister, Mrs. George Bailey, until Mrs. Bailey died five months ago.

Miss Foust was a member of the Methodist church in Benton. She is survived by two nieces, Mrs. Claudine McGregor of Rt. 3, and Mrs. Jim Dawes of Fulton Route 1; and two nephews, Will Tom Foust of Route 7 and Foust Bailey of Detroit.

Funeral services were held Friday afternoon at First Methodist Church, with the Rev. Roy D. Williams officiating.

Burial was held in the Wilson Cemetery by the Filbeck-Cann Funeral Home.

A rich golden, yellow cake—covered with deep, luscious chocolate frosting, so joyfully decorated for the festive Easter dinner!

Step 1. Use one 17 oz. package yellow cake mix. Bake in two 8-inch layers. Follow directions on package (as easy as 1-2-3). Cut each layer in two, about 1/2 inch off center. Makes 2 large, 2 small pieces.

Step 2. Using 1-4 squares unsweetened chocolate, prepare easy chocolate frosting according to package directions. Spread chocolate frosting on cake pieces. Put together with smaller pieces on outside. Stand cake, cut side down, on plate. Using sharp knife, trim at outer edge to give cake egg shape.

Step 3. Cover with remaining frosting, filling in to make egg shape. Trim shelled coconut with liquid food coloring to a spring-green green. Arrange around base of cake. Nest vari-colored jelly bean Easter eggs in coconut grass. Place — chicks on top of cake, facing each other as if talking.

"Easter Egg Cake with its chocolate frosting and gay decorations will bring shouts of joy with the first bite! A glorious end to your festive Easter dinner!"

LOVELY TO LOOK AT --
EASY TO LIVE IN

Here is a ranch house that will look good in the country or in town. To add to the original beauty, we suggest you place it among some nice trees; if this is not possible, provide plenty of green shrubbery.

The house was designed for just such a setting in green, with red brick veneer walls and white boards and batten on the porches. Although it is designed for brick veneer, 4-inch concrete block veneer or ordinary wood siding will look good.

In addition to the outside attractiveness of the house, the interior arrangement is designed for the utmost comfort in living. The kitchen-work room combination is arranged so there will be a minimum of effort in preparing meals and preserving food. At the same time, the work room provides an excellent place for a home freezer, washing machine, water heater and work clothes closet.

One glance at the floor plan and you'll be impressed with the abundance of always needed storage space. The screened porch on the back could easily be glassed-in to make an ideal everyday living room or a delightful place to serve the family meals both summer and winter.

The Brockton
SMALL HOUSE
PLANNING BUREAU

THE BROCKTON features open planning which means fewer doors, less partition work and a feeling of spaciousness not usually found in a small house. Costs are also cut through the use of a flat roof which combines roof and ceiling joists in one and reduces cubical contents.

The exterior finish of the Brockton calls for a pitch and gravel roof with a touch of color in the brick of the entry closet and planting area.

The dimensions of this small-sized house are estimated at 40 feet by 23 feet and six inches. The floor area is totalled at 832 square feet, while the cubage is estimated at 14,303 cubic feet.

For further information about THE BROCKTON, write the Small House Planning Bureau, St. Cloud, Minn.

Planting of Pine Trees Advocated

County Agent Homer Miller has recommended that all Marshall County landowners, who wish to plant pine seedlings on idle land should plan to do it this spring. With a new anti-TVA movement started in Congress, this could well be the last season in which the TVA seedlings may be offered to landowners in Western Kentucky.

According to Mr. Miller, Marshall County landowners have failed to take full advantage of this free land reclamation service. Only 2,000 of the 17,000 acres in the county unsuited to any other farm crop have been planted to pine during this period of free tree distribution. Any of the agricultural specialists in the county will agree that reclamation of abandoned land by reforestation is good farming. A good farmer puts every acre of his farm to good use, and on many acres pine trees are the only crop that will bring the land back in production.

If you haven't ordered your seedlings for this spring, stop by the county agent's office or the PMA office right away and put in an order.

Miller has been informed by the TVA nursery that the first delivery scheduled for Feb. 18 is now complete. Other deliveries are scheduled for March 4, March 18, and April 1. Fill out an application blank today in order to insure delivery of the trees when you want them.

Erie Seaford of Route 3 was a recent business visitor in Benton and while here renewed his subscription to the Marshall Courier.

Home Agent's Column

By SUNSHINE COLLEY

The district meeting for the Homemakers will be held on April 30 at Murray. Mrs. Joe Brandon, district director, will preside at the meeting.

Do you have a serving center? Miss Sunshine Colley, home demonstration agent for Marshall County, asks that question of all Homemakers. As interest in home serving increases, the right serving equipment in the right place should be studied.

Portable Sewing Center keeping the family wardrobe in repair is no small job especially as the number of children in the family increases. But mending, repairing and altering as well as making clothes can be a big help to the family's pocketbook and appearance, if done efficiently.

Just as a well-arranged kitchen makes for efficient cooking, a convenient sewing center can speed and ease the mending and making of clothes, household management and clothing specialists of the U.S. Department of Agriculture agree.

They observe that often sewing is the most disorganized home job because supplies and equipment are kept all over the house. In the smaller homes of today the demand is for a simple, compact, portable set-up that can be located in any room where the housewife prefers to sew.

A U-shaped center is suggested. Here the sewing machine takes the center of the U with a surface for laying out and cutting fabric on the right, and a surface for pressing on the left. Underneath these working surfaces, sewing supplies may be kept in easy reach.

A convenient chair for her is a swivel office chair armless and on easy rolling casters. In such a chair she can turn from one

part of her sewing job to the next without having to get up and walk around.

For the cutting center on the right, housewives have reported using a flat-top desk or even an old refinished washstand. Both offer a flat surface and space underneath to keep supplies with in easy reach. For the pressing needed in mending and in many sewing jobs, a full-size ironing board is not essential.

A little cabinet with a padded top or small sleeve board on a cabinet may be used and serves space. If an ironing board is wanted, best choice is a low, "sit-down" board with room under and electric sewing machine may be plugged into a double wall outlet behind the machine. With such a simple set-up, Dad's shirt or Junior's snowsuit can be mended in a jiffy without running all over the house for scattered supplies. Also the Marshall County Homemakers can make that semi-tailored dress by May 8.

J. R. Hoover, of Calvert City, was a business visitor in Benton Wednesday.

Horace Thompson is a patient at Iverside Hospital and is reported to be in a serious condition.

Joe B. Howard of Route 6 was in town Saturday on business.

DOLLAR FOR DOLLAR YOU CAN'T BEAT A
53 Pontiac
A GENERAL MOTORS MASTERPIECE

Solid Choice of Solid Citizens!

In its distinctive beauty, its size and comfort, its interior luxury and its all-around performance, Pontiac ranks high among America's quality cars—yet it's priced just above the lowest!

Thus Pontiac has an almost irresistible appeal to people who find it wise to keep their automobile investment at a minimum—without sacrificing quality. It is this unique combination of goodness and price which makes Pontiac the solid choice of those solid citizens who are money wise and quality conscious.

The reasons for this preference were never more obvious than in the 1953 Pontiac. But more important, it carries on Pontiac's tradition of long life and carefree, economical dependability.

Come in and see how this great new car offers wonderful proof that "Dollar for Dollar You Can't Beat a Pontiac."
